Flies From California At Eighty Seven

Lewis G. Helm Sr. Gets Lifetime Thrill From Airplane Ride.

From the cow and horse team of his father back in the early days of his boyhood on the banks of the Des Plaines river to an airplane trip from California to Chicago, in ten and one half hours.

Such is the transition in travel which has been experienced by Lewis G. Helm, Sr., who arrived from California last Friday to spend the summer with his son, Howard Helm, Wheeling township clerk and his family at 609 N. Dunton street, Arlington Heights.

Mr. Helm, Sr., is 87 years old and has been traveling back and forth from Illinois to California for about a quarter of a century, but last week was his first transcontinental jaunt by plane.

Mr. Helm says he had been up in a plane previously for a trip over Chicago, but that this was his first flight of any distance.

He reports that he enjoyed the trip immensely and that when the plane was clipping off 175 miles per hour, it was going so fast that it didn't seem to be moving at all.

No one on the plane was disturbed in the least by the trip says Mr. Helm and the plane was carrying a capacity passenger list. Two stops were made on the way home, at Salt Lake City, Utah and Cheyenne, Wyo.

When the plane left Cheyenne it was just getting daylight and they landed in Chicago at 8:55 a. m.

Mr. Helm said that his fellow passengers thought that it took a lot of nerve for a man of his age to make such a trip, but he told them that it didn't take any particular nerve, that he was coming to Chicago and chose that way to come and that's all there was to it.

In reply to a question as to the smoothness of the trip Mr. Helm said that they experienced no rough weather at all and the only change from smooth, even flying was an occasional dip when they struck an air pocket.

Mr. Helm reports that California is recovering rapidly from the severe winter which was experienced there, that the orange trees are loaded with fruit and that the prospects are for a bumper walnut crop this year.

Travel by air from California is becoming increasingly popular, he says and that there are many people on the waiting list ready to take up any reservation that is given up at the last minute.

Mr. Helm is one of the pioneers of this territory, having been born in a log cabin on the banks of the Des Plaines river and he can remember the days when as a youngster, he would wake up in the morning to find himself nearly covered with snow that had sifted through the chinks in the cabin.

In later years he was a well known business man of Arlington Heights, having operated a coal and lumber business for many years on the site now occupied by the Tibbits Cameron Co.

Mr. Helm's many friends will be interested in his daring dash across the continent in a plane at the age of 87, but the philosophical old gentleman himself simply takes it all as a matter of course and just one more step forward in a fast changing world.

Mr. Helm spends his winters with his son, Fred and family, at Burbank, Calif. He was unaccompanied on his record flight, but says that the plane stewardess took good care of him and all the other passengers.

Sadecky's Add Two New Super-Cold Refrigerators

The Sadecky store this week announces the installation of two big new Super-Cold display refrigerators for cold and fresh meats. These modern boxes are the reason for the big smile on Louis' face and he will tell you now why all the meats you get from him are always fresh and wholesome.

The store floor space has also been increased for the convenience of customers shopping at Sadecky's.

Red Wings Play Bensenville B.E.'s Next Monday

The Arlington Red Wings will play the Bensenville B. E. team on Monday, Memorial day at the local park.

The Bensenville boys come from a fast league where they haven't been able to do so hot, but expect to start a winning streak against the Red Wings. They have some classy players in their line-up. The Red Wings say, however, that no team from that southern league is going to show them anything.

Garden Club To Make Tour

The Arlington Heights Garden club will hold a tour to the home of David F. Hall, 809 Central avenue, Wilmette, on Wednesday evening, June 9. The cars will gather at the Presbyterian church ready for departure at 7 p. m.

PROF. W. E. BUSZIN

Noted Organ Player At St. Peters Sunday

Prof. Buszin In Recital, Assisted by Children's Choir.

St. Peter's Lutheran church is privileged to present to the music lovers of this community Prof. Walter E. Buszin of New York City in an organ recital Sunday, 8 p. m.

Mr. Buszin is a noted organist, whose masterful interpretation of organ classics has won for him an extensive reputation in Lutheran musical circles. He is dean of the music department of Bethany College of Mankato, Minn., and also a special lecturer on sacred music at River Forest Teachers College.

His recital will include organ arrangements of Lutheran chorales and compositions by Bach, Guilman and other ancient masters.

To add variety to the program St. Peter's Lutheran Children's Choir directed by Mr. Preuss will offer several choral numbers. This group of youthful chorists has made many warm friends with their sweet toned, expressive singing over the radio, in the church services, and in concert. This choir will represent the Northwest Suburban Zone in the district talent quest at River Forest on Sunday.

Prof. Buszin has also consented to give an address on "The Ideals of Lutheran church music." He is a student and authority on liturgical forms and his address will be of real educational value.

The public is cordially invited to enjoy this musical treat. An offering will be lifted to defray expenses.

Grandt Gives New Rules For Relief

Number Of Cases Are Reduced.

Charles Grandt, supervisor of Wheeling township and by virtue of that office also relief administrator, is announcing a new schedule of office hours for the distribution of relief, starting June 1.

Mr. Grandt will hold office hours at the Wheeling Village hall on the first and third Tuesdays of each month for the cases in Wheeling, between the hours of 9 a. m. and 12 noon.

On Wednesdays, Thursdays and Fridays, relief will be attended to for the people of Arlington Heights at Mr. Grandt's regular office in that Village. There will be absolutely no distribution of relief on Mondays or Saturdays, says Mr. Grandt, as those days are needed for the clerical work of the office.

Mr. Grandt asks that all persons receiving relief to kindly observe these new regulations.

He reports that while there has been quite a drop in cases that the load in Wheeling township is still high as there are so many elderly people on his lists who are unable to work. The nurse made visits to 22 families in Wheeling last week where there is sickness and there are also many such cases in Arlington Heights.

Mr. Grandt reports that many of the elderly people are being taken off the relief rolls by the receiving of old age pensions, but there are still a large number on his lists.

The case load, however, has dropped from a peak of 138 cases in some of the winter months to about 98 at the present time. Those able to work and who are not assigned to WPA employment are being given work by Mr. Grandt on jobs for the Park Board, the Village, the District 25 school board and the Scarsdale Improvement association.

These men are paid at the rate of 50 cents per hour out of the township funds used for relief. Each man works out his monthly relief allowance at that rate.

In this manner the local taxpayers are receiving some direct benefit from the 30 cents per \$100 valuation relief tax which they will begin paying with the next tax bills.

Celebrate Golden Wedding

Mr. and Mrs. Henry Blume Are Married 50 Years.

Mr. and Mrs. Henry Blume of 124 So. Vail street, Arlington Heights, celebrated their 50th wedding anniversary on Wednesday, May 23.

This pioneer couple have lived in this territory practically all of their lives. Mrs. Blume was born in Northfield and Mr. Blume came to this locality nearly seventy years ago.

The Blumes before moving to Arlington Heights several years ago, resided on a farm on the Rand road and they recall the early days in the dairy business when Arlington Heights was only a hamlet of some 500 people and when during the rainy weather in the spring, it was often necessary to hitch four horses on to the milk wagon to get to town.

The Blumes have witnessed many changes during the past 50 years and the happy couple look hale and hearty and are prepared to continue to see many more changes in the years to come.

Mr. and Mrs. Blume have raised a large family and have contributed their bit to the development of this territory.

Eight children, five boys and three girls were born to this couple, all of whom are still living. They also have sixteen grandchildren and four great grandchildren.

Mr. Blume is 78 years old and his wife 74 and it was a happy gathering of relatives that assembled at the Blume home Wednesday, to help this pioneer couple celebrate the completion of fifty years of life together.

Last Saturday this fine couple helped Mrs. Blume's brother and his wife, Mr. and Mrs. Wm. Werhane, of Northfield, celebrate their golden wedding. On Wednesday the Werhane's returned the compliment by joining in the Blume celebration.

The many friends of this pioneer couple join in wishing them many more happy years together.

Past Commanders Night At Merle Guild Post

Merle Guild post of the American Legion held a past commanders night in connection with their regular meeting Tuesday evening.

A good sized attendance was present and an enjoyable evening was spent by the boys.

Past Commanders, W. K. Parker, Phil Engelking, Jim McElhose, A. A. Welterman and George Palmer were presented with past commander buttons.

These former commanders were the chief officers of the Legion in its early days before the public installation of officers was held, at which past commanders are now presented with their emblems.

The past commanders who have received their emblems at the public installations are: Mike Brown, Victor Pecchia and C. L. Griffith.

Commanders Keche of Des Plaines; Bailey of Mt. Prospect and Inkster of Palatine, were present and each made a few appropriate remarks. The meeting was very ably conducted by Commander C. J. Miller.

Bad News For State Bank Depositors

A report on the condition of sixteen closed state banks from the north side and northwest side of Chicago indicates little possibility of repayments during this quarter, according to Edward J. Barrett, state auditor.

Included in the summary of doubtful banks to make repayment this period were the closed First State Bank of Palatine and the People's State Bank of Arlington Heights.

Business Assn. Meets Tonight

A very important meeting of the Arlington Heights business men's association, will take place tonight. The meeting will be held at the Village hall at 8:15 p. m. and every business and professional man and woman in Arlington Heights is most cordially invited and urged to attend.

Four directors will be elected, closing for a half holiday during the week will be discussed and much other important business will come before the meeting. Be sure to be present.

Editor Gets A Real 'Kick' Out Of Canadian Trip

Penbrook, Ontario, Canada, Monday Morning

The past three days in traveling through the northern part of Canada, I have discovered that there is a way to live without the WPA.

There are thousands up here in this country who not only do not require any \$55 a month with which to satisfy their wants, but manage to exist on about \$35 or less. However such fellows as Baldwin of the Webber Paint Co. would starve to death. There are thousands of homes up here which have never been painted and about twice as many which are only log cabins.

There are other things up here besides WPA workers that they do not need—traffic cops. Have you seen one in 500 miles. The roads are so much like washboards that the car that is not shaken to pieces can not go over 35 miles an hour.

I can see O. G. Barrett taking some of the hairpin turns and grades here at his usual 70 miles an hour. They would be picking up the pieces 500 feet down the rapids would be carrying his car down stream.

However, the scenery up here is the greatest thing that a man who has never been away from home for 25 years, could imagine. Just think 150 miles with nothing but one grand view after another.

The only thing that has reminded me of home was one city "Sudbury" with one liquor store for 65,000 inhabitants, about 500 beer parlors and about half of the fellows on the street the worse for wear—but listen to this. It was pay day at the mines and at 11:45 everything was closed; no Sunday opening, not even after church.

The quints are worth a trip to see and the Canadian government is not trying to capitalize upon them to the extent of charging fees for the privilege of viewing them.

About 2,000 people viewed them for half an hour yesterday afternoon. Of course once was enough for the editor, but the editor's wife made a second trip and incidentally got a big kick out of seeing Marie and Annette cry a bit. The Canadians were busy buying souvenirs of the quints that had earmarks of having been manufactured in the good old United States. The Dionne family is capitalizing on the influx of visitors in a big way. Pa Dionne has a store of souvenirs; Ma Dionne has one and the midwives (two of them) have a third. All of them will autograph for a fee.

Have only seen one passenger train since entering Canada at Soo St. Marie. The government is attempting to rebuild the big highway, but as there can be few detours in this country, they adopt the easier method of cutting down trees and building the new road alongside of old r making short cuts through the timber. Today after entering Canada Saturday morning, was the first time that the road was straight enough and smooth enough for the V-8 to do 45. But it is all worth it and the fellows back home who said that the editor was going a long way in order to turn around and to start back home, have no idea of the big kick that an editor can get out of boiling water for a meal and washing dishes in the same kettle and using the cover for both the frying pan and the rinsing pan, to say nothing of eating breakfast food in the same cup that you use for your coffee and if you happen to be in the deep woods when you do all this, you wipe your dishes and cooking utensils clean with paper towels.

When the editor left on this trip he paid too much heed to the warnings of Bob Mosser the great Palatine huntsman, who said that he would freeze to death. Warm clothing and warm blankets, are only so much surplus luggage. The cabins do get a little cold at night, but with a wood fire and all wool Canadian blankets, you feel that some day when you retire, you will enjoy spending half of each year up here.

Editor S. R. Paddock with Mrs. Paddock, are celebrating their 25th wedding anniversary this week on a trip to Quebec, entering Canada at the Soo, passing east to North Bay, thence to Ottawa, Quebec and back through northern part of Maine. He was admonished when he left home to give no thought to affairs back home, but judging from the fact that he has sent the boys the accompanying story, we presume that he is not yet quite ready to give up his job and move to Canada.

Board Rejects Pump Bids

The Village Board at its meeting Monday evening voted to reject all bids on the new pump. Bids will again be advertised for to be re-turfable on Thursday, June 10.

The reason advanced for the rejection of bids was too wide a range in prices.

The bidders will be given an opportunity to figure all over again and see if in the estimation of the board they can do any better with their pencils.

Escape Death As Car Rolls, Hits Tree

Palatine, Arlington and Mt. Prospect Have Accidents.

Five students of the Palatine Township high school escaped death by what was little short of a miracle Saturday night when their car turned over on Plum Grove avenue near the Donkey Inn, rolled over in the ditch and crashed into a tree. The car was a complete wreck.

The five youngsters in the crash were Raymond Forep, Edna Forep, Ovid Neagle, Jr., Elaine Dombrosky and Harriet Werner.

The car belonged to Fred Forep, father of the Forep children and was being driven at the time of the crash by young Neagle.

The students had attended a farewell party to the seniors at the high school and were on their way home when the crash occurred.

Reports have it that the car in which the five were riding was trying to catch up to a car in front of them containing some of their fellow students, that when they did catch up they struck the car in front slightly, the car got out of control and the crash followed. All five were rushed to the Palatine Community hospital where it was found that young Neagle had suffered a broken arm and the other members of the party were considerably cut and bruised. After looking at the car it is hard to realize that anyone being in it when the crash occurred could come out alive.

The youngsters are pretty well banged up and will feel the effects of their experience for some time to come, but from all appearances they were very very lucky as that crash could easily have been turned into a tragedy.

Injured at Arlington

Early Sunday morning a car crashed into a tree on the North-West Highway near the Old Folk's Home.

Sophia Moleck of 1072 Freye street, Chicago, was taken to the Mt. Prospect general hospital where she was treated for sprains and bruises.

The occupants of this car are said to have had a little too much early morning refreshments and tossed an empty bottle over on to the railroad right of way after the accident.

Hurt at Mt. Prospect

Several minor accidents on Sunday. Three or four of them were motorcycle riders returning from the Cary hill climb. One accident was caused by a motorist failing to stop for a stop sign, forcing some motorcycles off the pavement where the motorcycles skidded and the riders and their lady passengers received minor injuries.

The fine weather Sunday attracted thousands of autoists to the country and the increased accident toll seems to be the result.

STORES CLOSED NEXT MONDAY

As Memorial day falls on Sunday this year, the official observance of the day will take place on Monday and on all indications all Arlington Heights business houses will be closed on that day.

The public should prepare for the double holiday by doing their shopping on Saturday as the business men enjoy these double holidays occasionally as well as anyone else.

So, if you don't shop Saturday, you are liable to have to eat out over the week-end.

Memorial Day Exercises On Monday

Arlington Heights will celebrate Memorial day, as usual, in an appropriate and fitting manner. On Monday morning promptly at 10 a. m. exercises will be held at Tri-angel Park.

The observance will be conducted jointly by the American Legion and the Veterans of Foreign Wars.

George Palmer, chairman of the American Legion committee and A. Wilcox of the Veterans of Foreign Wars committee in charge of the Memorial day exercises.

Rev. C. W. Loughlin of the Arlington Heights Methodist church will deliver the address of the day.

The band of the Arlington Heights high school, one of the finest school bands in this section of the state will furnish several selections, this band is well worth hearing.

The usual exercises will be held at this time with the presentation of colors, a salute by the firing squad and the placing of a wreath in honor of the heroic dead.

From the park the crowd will move to the Arlington Heights cemetery on East Euclid, where the decoration of graves of former service men will take place.

The Legion will hold its ritual over the grave of Merle Guild for whom the local post was named and the V. F. W. will hold theirs over the grave of one of their members. At the cemetery a salute will be fired by the firing squad and taps will be sounded.

While there will be no parade this year, it is hoped that the public will assist in the ceremonies by turning out in large numbers and that the school children, Boy Scouts, Girl Scouts and all other patriotic organizations will join in the observance of the day.

Boost Tavern Limit To 12

Arlington Heights Board Votes Increase.

There will hereafter be twelve taverns in Arlington Heights instead of ten, provided of course, that Mayor Julius Flentje who is, by virtue of his office as Village President, also the local liquor commissioner, sees fit to issue the additional licenses.

Such was the verdict of the Arlington Heights Village board at its meeting Monday evening when an amendment was voted to the liquor ordinance which raised the tavern limit from 10 to 12.

A good deal of discussion was indulged in by the board before the matter finally came to a show down, but when the vote was finally taken the increased number of places where one may quench his thirst with something more potent than soda water was found to be a winner by a unanimous vote.

Now that the question of how many taverns are to be allowed to function has been settled, the next important question will probably be whether or not a semi-official O. K. is going to be given to the slot machines and the "proceeds" used for some worthy municipal purpose.

Or has the sudden determination of States Attorney Courtney and Sheriff John Toman to put the lid on the county, put a stop to all chances of future slot machine "rake offs" both worthy and otherwise.

To Observe Memorial Sunday

The Arlington Heights posts of the American Legion and Veterans of Foreign Wars will observe Memorial Sunday, May 30, by attending church in a body.

The Memorial services will be held at the Methodist church at 11 a. m. and Rev. C. W. Loughlin will preach the Memorial sermon.

The services will be a combined meeting of the Methodist and Presbyterian congregations. Members of the Legion and V. F. W. will march to the church in a body with their arms and colors. The general public is invited to these exercises.

A DAY AT THE RACES

County Police Raid Arl. Heights Machines

Not taking anyone's word for it that Arlington Heights since the expiration of the "grace" that was given them during the last racing season the county police swooped down on Arlington Heights one evening last week and loaded up several machines in the ensuing raids.

It is rumored that the machines picked up in the raids were all of the pin ball variety and that none of "the one armed bandits" as the regular slot machines are known, were found. Possibly the county boys were just serving notice that it wouldn't be healthy for Arlington Heights to "lift the lid" during the coming race meeting at Arlington Park.

Many Attend Model Home Opening

A large crowd attended the open house at the Scarsdale Model home Saturday and Sunday.

From the time the place was opened until it closed, throngs of people were pouring through the model home and cars were parked for blocks in all directions.

Many were the favorable expressions heard on every side for not only the model home, but for the entire Scarsdale subdivision. The builders of the model home are highly pleased with the interest shown by the general public and look forward to a substantial growth in Scarsdale during the present season.

News from Springfield
By Bernice T. Van der Vries
Representative, General Assembly
7th Senatorial District

The General Assembly seems nearer definite action on the question of a motor drivers' license than at any time during the last three years. Although there is a division in the party in control of the state government as to whether the administration shall be in the hands of the Sec. of State or the State Highway department when the matter finally came to a vote on Wednesday the Secretary of State won out. The conference committee which had met in a number of sessions recommended administration by the Secretary of State and a license fee of fifty cents for a three-year period. The latter recommendation was an important one and designed to secure down state support. The session on Wednesday was a lively one, ending in boos and cat-calls. The subject will have another inning next week as a motion to reconsider prevailed. In the meantime roads will be held out as bait to members who failed to vote or who might be prevailed upon to change their minds.

The women's eight-hour day bill which affects thousands of working women was reported out of the Industrial Affairs committee with recommendations for passage. A concession was made to the laundry industry in permitting overtime work twenty-four weeks in the year, in other words, for house cleaning periods. Proponents of the bill will attempt to have this provision removed from the bill on second reading while those who believe in a more flexible measure for all industries employing women will attempt to have the bill further amended.

EXPRESSION OF THANKS

The ladies of the Arlington Post No. 981, Veterans of Foreign Wars Auxiliary desire to use this means of expressing their thanks and gratitude to the public for their donations in purchasing poppies on Poppy day.

It was an expression of sincerity and the public can be well assured that the funds are used for assisting the disabled World War Veterans and their immediate families. Each and everyone of the poppies were made by disabled World War Veterans at the Edward Hines hospital.

AN APPRECIATION

We wish to express our appreciation to those merchants who so generously co-operated with the American Legion Auxiliary in the presentation of the Fashion Revue, Business Men's Exhibit and Cooking school. Auxiliary members also wish to extend their thanks to those patrons in attendance.

THE CHATTER BOX

By TOMMY KOUZMANOFF
THIS IS YOUR COLUMN

Coach Grose's Arlington Cardinals climaxed a successful track season by annexing the 1937 Northwest Conference championship last Friday afternoon... the meet being held at Leyden this year... Strength in the track events... was an important factor in the Cardinal victory...

Bob Richards... wound up a brilliant high school career... with two record breaking runs... in the 120 yard high hurdles... and in the 200 yard low hurdles... both made in preliminary trials... the mile run... settled the dispute as to who was the conference's best miler... Mills of Arlington... or Gallery of Bensenville... when Mills beat the latter by about ten yards...

The Arlington high school nine dropped a 5-1 tilt to Lake Forest last Thursday... but bounced right back to thoroughly drub Warren on Tuesday night... Ray Hayes... Arlington's baseball coach... gathered some conference scores for our benefit at the conference track meet Friday.

As far as the press... or anybody else in the vicinity knows... Ela heads the conference with four straight wins...

Hayes' boys travel to Niles Center Thursday afternoon... saw Bensenville displaced as a first place occupant... in the Du Page County Softball League... when they permitted Roselle to wallop them 15-2... Believe it or not... the B's outhit their opponents... five to four... Art Eickelman's... one-hit... five inning relief pitching for Bensenville... was outstanding in Monday night's games... The Bensenville and Arlington Ballroom softball teams will hook up at Arlington Sunday...

Boosters Get Walloped 18 to 4

The Arlington Ballroom Boosters journeyed to Buffalo Grove Sunday to open the soft ball season and got wanded a terrific wallop at the hands of the home team. The final count was 18 to 4 and the boys came home thoroughly convinced that a little practice would do them a lot of good.

They open the season on their home grounds at the Arlington Ballroom on Sunday with Bensenville and they say that the result this week is going to be different, a whole lot different.

Orchard Place Team Wants Games

The Orchard Place baseball team of Des Plaines has organized for the season and is interested in booking games with uniformed teams of the surrounding territory.

The Orchard Place boys have formed a snappy team and feel that they can give any of the surrounding teams a good argument.

Any team that wants to negotiate with the Orchard Place boys for a game, call Mike Miller at Des Plaines 742-J.

The Bensenville-Edgewood nine entered the win column in the Tri-County Baseball League for the first time last Sunday... shutting out East Maine 8-0... Local fans will crowd to the new Arlington baseball park Monday to see the Red Wings and the Bensenville-Edgewood teams... battle not only for glory... but for a few \$8... as an added incentive... Alex Kouzmanoff... Bensenville... is the No. 6 man on the Illini golf team... the team's first match being against Notre Dame last Saturday...

The Arlington Ballroom softball team took one on the chin from Buffalo Grove last Sunday... 18 to 4...

Cardinals Win From Warren

The battered Cardinals finally won a baseball game when they hammered two Warren High School pitchers for an 11-5 victory at the new park diamond Tuesday. Production began in the first inning when Mel Kehe singled to drive in two runs. Then with two men on, Wellin belted out a line triple, and scored the fifth run on a passed ball. Again in the third the Cards pounded across three more runs on two singles and a triple. Kehe lined the three-base hit over the center-fielder's head. Meanwhile, Mel pitched fine ball, allowing a pop fly single and a scratch hit down the third base line in the first three innings. With two out in the fourth, both on strikes, he allowed a triple and a single, which scored the first Warren runs. Two more runs scored in the fifth when one hit was inserted among a couple of errors at second. Buesing pitched the last two innings, allowing two hits and one run.

For Arlington the best work of the game was put forth by Wellin who caught a fine game in spite of severe bruises and a very sore left hand. His triple was inspiring to his teammates. Kehe scored three runs and made two hits. Hedke hit twice and scored twice, while Granzin scored three times and made one hit in one official trip up. Phillips and Beshel were tops for Warren with two hits each. J. McCann's triple in the fourth was the only Warren extra-base hit. McCann struck out nine in seven innings. Kehe eight in five, and Buesing four in two.

Leading Horses Enter Stakes At Arlington Park

Chicago, Ill., May 27—Early entries received for the six stakes which close their nomination lists on June 1, hold rich promise to mid-west racing fans that the leaders of all divisions will be seen in action at Arlington Park this year, declared John D. Hertz, chairman of the executive board of the swank northside course here today.

Besides these early entries Arlington officials are encouraged by the response to the \$55,000 gross Arlington Futurity and the \$35,000 gross Arlington Lassie Stakes, for which the final fees were received on May 15.

These two juvenile futurities and the six stakes closing on June 1 carry a total of \$102,500 in added money, which forms a major portion of the \$376,000 to be distributed to horsemen during Arlington's "Golden Thirty Days" of racing from June 28 to July 31.

Upon his return recently from a tour of eastern racing points General Manager Roy Carruthers reported great interest in Arlington's stakes.

"Wherever I met horsemen they expressed appreciation of Arlington's expanded stake program and the establishment of the American high purse minimum of \$1,000," Carruthers said. "I am sure that the leading American stables and the best horses in the various divisions will be out here in July to enable us provide a colorful climax to a Chicago season that has already shown a great advance in popularity over recent years."

Most important nationally of the six stakes closing on June 1 is the \$30,000 Classic Stakes, which annually attracts the stars of the 3-year-old division to this sector. In its eight previous runnings it has included among its winners such champions as Gallant Fox, Blue Larkspur, Cavalcade, Omaha and last year Granville.

Two of the six fixtures have been doubled in value. The Arlington Handicap, which shares the lime-light with the Futurity on closing day, has been raised to \$20,000 and the Arlington Inaugural Handicap, the open day sprint feature, now carries \$5,000 in added money.

Entering strongly into the movement to provide more opportunities for fillies and mares Arlington Park has revived the \$5,000 Matron Handicap, which will be run over the mile course on Saturday, July 3. Rounding out the brilliant holiday week-end will be the running of the \$10,000 Stars and Stripes Handicap on Monday, July 5.

Following is a full list of the stakes which close at midnight of Tuesday, June 1:

\$5,000 added, Inaugural Handicap, for 3-year-olds and upward, at one mile, on June 28.

\$5,000 added Matron Handicap, for fillies and mares 3-year-old and upward, at one mile, on July 3.

\$10,000 added, Stars and Stripes Handicap, for 3-year-olds and upward, at a mile and a furlong, on July 5.

\$2,500 added, Hyde Park Stakes, for 2-year-olds at five and a half furlongs, on July 10.

\$30,000 added, Classic Stakes, for 3-year-olds at a mile and a quarter, on July 24.

\$20,000 added, Arlington Handicap, for 3-year-olds and upward, at a mile and a quarter, on July 31.

Lorraine Sullivan Is Bride Of Herbert Moehling

A beautiful wedding took place Sunday afternoon at 2 o'clock when Miss Lorraine Sullivan became the bride of Herbert Moehling.

The wedding took place at the Henry Moehling home, Rev. Fricke performing the ceremony.

The occasion was in the nature of a double wedding as it was the silver wedding anniversary of Mr. and Mrs. Henry Moehling.

The bridal couple was attended by Melvin Moehling as best man and Agnes Sullivan as bridesmaid.

A group of fifty relatives and friends partook of the wedding dinner following the ceremony.

In the evening, 200 guests gathered at the Moehling barn, where a happy time was enjoyed in celebrating the marriage of this popular young couple. Dancing was enjoyed to the music of L. Ahrens Orchestra until an early hour in the morning.

The happy couple were the recipients of a large number of very useful gifts. Their many friends join in wishing them a long and happy life.

Arlington Drops Conference Game To Lake Forest

The high school baseball team dropped a conference game to Lake Forest last Thursday by a score of 5 to 1. The local boys were held to one hit by Dieck, veteran pitcher from the gold coast. Kehe had trouble with his control in the first three innings and allowed five passes and four hits during that time. Thereafter he gave four hits and no runs, but the damage was done. All of the hits by the winners were singles, although one of them got by Hedke for a three base error, scoring three men. Dieck struck out five and hit one batsman. Kehe whiffed four and walked five.

Hedke collected a wind-blown double in the seventh, saving Arlington from a shut-out and spoiling Dieck's no-hit game. Despite his error in the third, Hedke played a fine game, accepting six fielding chances on fly balls and making several fine catches. Kelley at third was excellent for Lake Forest and Burgess was the best first baseman in the conference. Arlington had a fast double-play in the third, Pingel to Kirchhoff to Weisgerber.

Giraffes Temperamental

Giraffes are among the most costly animals in captivity, not so much because they are scarce, but because they are temperamental. They are delicate and nervous. Necessary surgical operations can be performed on many wild animals, but seldom on giraffes. They are so timid that they show alarm at the least cause. They have been known to drop dead when their keepers approached to give them medicine.

Job's Daughters To Install Officers June 1st

The Holstein cattle breeders located in Lake and Cook counties have completed plans for a one-day "Black and White" show to be held June 19, at Hillside picnic grounds, located one-half mile north of Grayslake on Route 54.

Each Holstein breeder in the territory is requested to bring to the show a few of his best cattle, where they will be judged by an expert. Demonstrations will be held to illustrate the value of improved breeding through the use of superior sires and foundation females. Judging contests will be held which will be open to everyone. A picnic dinner will be enjoyed at noon by all of the Holstein breeders, their families and friends. The program for the day is essentially educational in nature and it will pay everyone who is interested in the dairy business to be present.

This "Black & White" show is sponsored by the Lake County Holstein club, Herman Dunker, president, and Charles Wray, secretary. The committees which are in charge of the various phases of the show are:

Cattle Committee: Alfred Ames, Zion; Albert Nickol, Palatine; H. L. Kappeler, Grayslake; Carl Beckman, Prairie View.
Grounds Committee: Henry Wegner, Ingleside; H. C. Gilkerson, Grayslake.

Demonstration Committee: W. J. Swayer, Grunee; C. L. Kutil, Antioch; Gilbert Clem, Grunee; Geo. Staggs, Wauconda; W. D. Budde-meier, Lake Zurich.
Contest Committee: H. C. Dunker, McHenry; E. E. Elsbury, Oren Nash, Norman Nehmer, Carl Bunting.

Publicity Committee: N. J. Coltrin, Lake Zurich; Horace Vose, Grunee; M. M. Burdick, Lake Bluff. The program is scheduled to start at 10:00 a. m. and should be completed by 4:00 p. m. so that everyone can get home in time for chores.

There is only one important element in the matter of accident prevention and safe driving on our highways. That is "brains."

There is nothing difficult or mysterious about safety. Neither is there anything to be ashamed of. It requires no extraordinary genius, college degree, or special training to be safety minded.

The application of a little horse sense will prevent most of the accidents that now occur on our highways. Safety is 99 per cent common sense; accidents are 99 per cent thoughtless hurry.

We cannot blame the automobile for the causes of our accidents, because senseless machines have never caused an accident. Let's apply some brains to our driving and watch the results. It's smart to be careful.

Talent Indicates Power
Talent denotes a definite kind of power. Talent is improved with exercise. Discover your definite kind of power, then put all your power behind it, and the rest is easy.

Snake Bite
Poisonous snakes do not discharge all of their venom in one bite. It is therefore possible for the snake to inflict dangerous wounds even three or four times consecutively, though in each case there would be less poison than in the one preceding. The amount of poison depends on the vigor and the size of the snake and the length of time that the poison has been accumulating.

To Be Largest In America

Memorial Tower Planned For Rand Hill Cemetery

The Romantic Memorial Tower
will be one of the largest in Amer-
ica.

Plans call for a giant spire
composed of a series of colonades
and rising seventy-four feet in
height. In all forty mammoth mon-
umental pillars will be employed,
capped by a statue 9 feet 2 inches
in height, representing Mother
Universe. The tower, designed to
be an everlasting landmark, non-
sectarian and non-denominational,
will serve as a beacon to guide
visitors for miles around. Con-
struction contracts have been let,
architects are Messrs. Loeb and
Schlossman of Chicago, Angelo
Zirol of Chicago, the sculptor.

It is our aim in the construction
of the original Memorial Tower to
point the way toward a new trend
in cemetery construction.

Randhill, strictly a Memorial
Park-Garden, and only standard
identification in granite, lawn high
are allowed, which is a ruling of
Randhill Park. The scenic beauty
of nature is thus preserved for all
time in all its majestic grandeur.
Miles of wide drives, paved and
winding perpetually cared for
lawns, the artistic Memorial Tower,
the first step toward Heaven, will
be the only work of man's hand
rising above the ground. It will be
built on the highest knoll in the
park and will be constructed of one
of the hardest polished granite to
be found in America, it weighs ap-
proximately 300 tons. It is our aim
to make it an everlasting symbol of
peace and beauty of eternal rest, a
permanent tribute to the memory
of our sacred departed fellowmen.

In our travels we see old and
new cemeteries, their upkeep is
neglected, the unsightly stones with
its entire atmosphere oppressive.
In Randhill Park, you find every
tree, shrub, flower, lake, fountain,
birds and housing proclaims life
and loving memories for the de-
parted.

Our architects searched the
world for inspiration for this new
tower, they studied the traditional
landmarks of ancient generations
and have in my opinion with men
of note in art, created a work of
art which should become an influ-
ence in cemetery construction for
future generations.

The base of the tower will be
composed of a series of columns
and plates, each having its individ-
ual carved figures in bas relief,
represented are positive and nega-
tive in life and four symbolic fig-
ures—Faith, Hope, Youth and Love
—rising above these, column upon
column receding as height is at-
tained, the apex ultimately is
reached with the towering figure of
the Mother Universe, typifying the
universality of God and the im-
mortality of nature.

We earnestly hope that the new
memorial will become a true inspi-
ration to cemetery builders through-
out America.
By M. F. Wittelle, President.

For Once Wm. Powell Does Not Get The Girl

William Powell is getting a di-
vorce.
He is divorcing himself from
most of the screen's most beautiful
women.
Too long, he feels, he has been
mated as "The Perfect Husband"
to Myrna Loy, Luise Rainer, Rosa-
lind Russell and other lovely stars.
He wants a change, at least tem-
porary.

So Powell, in his latest Metro-
Goldwyn-Mayer picture, enacts the
"menace," the man who does not
win the girl.

Powell joins Joan Crawford and
Robert Montgomery in Frederick
Lonsdale's delightful mystery com-
edy, "The Last of Mrs. Cheyney,"
which opens a two-day engagement
at the Arlington Theatre, Sunday
and Monday.

Although Powell has been team-
ed with most of M-G-M's lovely
stars through the past three years,
"The Last of Mrs. Cheyney" co-
stars him and Miss Crawford for
the first time. Too, it is the first
picture in which Powell and Mont-
gomery have matched wits for the
same reward, a beautiful woman.

As Charles, a pseudo butler in
London mansions, Powell plays the
role of a super-crook, but a beloved
thief still possessing a noble qual-
ity of sympathy and understanding
and who makes unusual sacrifices
because of his love for Mrs. Chey-
ney.

Leon Gordon, Samson Raphael-
son and Monckton Hoffer adapted
the Lonsdale play for the screen.

In the outstanding supporting cast
of players are Frank Morgan, Jes-
sie Ralph, Nigel Bruce, Colleen
Clare, Benita Hume, Ralph Forbes,
Aileen Pringle and Melville Cooper.

Food of Beavers

The food of beavers includes
nearly every plant growing in the
range inhabited by the animal, ac-
cording to a writer in the Detroit
Free Press. Aspen, maple and wil-
low seem to be preferred in the
order named. The animals seem to
have a tendency to eat aquatic
plants in the summer time, when
tree cutting is at a minimum. Beav-
ers in the wild cut on an average of
two trees every three days. A small
aspen, one inch in diameter, is
enough food for a beaver for a day.
Beavers are not sagacious wood cut-
ters. They waste much timber.

AN EPIC TO COL. LINDBERGH

Lindbergh did not hop off alone,
Nor claim the glory as his own;
The thought which prompted that
word we,
Was deeper far than modesty.

He knew that God is all in all,
By trusting Him naught could
befall;
And that He's present everywhere,
Available through truth and prayer.

His mother, too, knew how to pray,
And most of friends prayed all
the way;
We did not pray unto his buss,
But unto God each one of us.

King Neptune could not bar his
way,
While God was there his hand to
stay;
The fog veil which he pierced that
night,
Was powerless 'gainst truth and
light.

Then on and on through sleet and
rain,
Now high, now low, o'er raging
main;
Determined that no toll he'd pay,
His goal was France and
L. Bourget.

Then came into the Beacon's light,
A small white bird from blackest
night,
A dove of peace, a dauntless lad,
The world a modest hero had.

With faith sublime, and courage
rare,
He'd smashed the records of the
air;
And linked two continents with
love,
We—Lindbergh and his God above.

O what a moral here is found,
That faith and trust in God
redound,
To banish fear, and make us free
To dare, and do, the same as "We."
—Leslie L. Campbell,

QUESTIONS THAT ARE ASKED ABOUT BANKING

*"How can I get a business
loan at the Bank?"*

If you are engaged in business—such as re-
tail, farming, stock raising, wholesaling,
manufacturing—we welcome your loan appli-
cation and ask for the following information:

1. How much do you wish to borrow?
2. For what purpose do you want the money?
3. When do you expect to repay it?
4. How do you expect to repay it?
5. An up-to-date financial statement of what you have and what you owe.

If, on the basis of the information in our
hands, we feel sure that the loan will be
used for a sound purpose and can and will be
repaid when due, we are glad to approve your
request. This bank welcomes an opportunity
to employ its loanable funds in advances for
sound business purposes under conditions
which will help the borrower and the com-
munity, and safeguard the deposits entrusted
to its care.

Firestone TIRES

GIVE YOU GREATER PROTECTION AGAINST SKIDDING AND BLOWOUTS

YOU will know the minute you see this tire why car owners everywhere call it the greatest tire ever made to sell at these low prices. The deeper, wider, flatter non-skid tread made of tough, long wearing rubber will give you protection against dangerous skidding.

But tires cannot be judged on tread alone. Under the tread of Firestone Standard Tires are two extra layers of Gum-Dipped cords. This Firestone patented construction feature binds the tread and cord body into one inseparable unit. Every cotton fiber in every cord in every ply is saturated and coated with pure liquid rubber which counteracts the internal friction and heat that ordinarily destroy tire life. This Firestone patented process of Gum-Dipping gives greater protection against blowouts and is used only in Firestone Tires.

Come in, join the Firestone Save A Life Campaign today by equipping your car with a set of new Firestone Gum-Dipped Tires.

DO YOU KNOW

THAT last year highway accidents cost the lives of more than 38,000 men, women and children?

THAT a million more were injured?

THAT more than 40,000 of these deaths and injuries were caused directly by punctures, blowouts and skidding due to unsafe tires?

Legion To Be Honored At Old Time Dance

The Merle Guild post of the American Legion will be the honored guests at an old time dance to be given Saturday evening, May 29 at Schufreider's pavilion at Milwaukee avenue and Lake street.

Five members of the post, some time ago, formed an old time dance club and during the winter season, conducted weekly dances at the Union hotel in Wheeling.

During the summer months the boys give their dances at Schufreider's pavilion.

The dance Saturday night will be the opening event of the summer season and all profits from the dance will go to the Merle Guild post.

The Dixie Hay Shakers, noted for their old time dance music, will furnish the tunes and a good crowd is assured.

There will also be some modern dancing for the youngsters and the boys are not leaving anything undone to assure everyone of a good time.

The Legion boys are very appreciative to their fellow members who are honoring them with this evening's fun and they hope that all of their friends will go over and join in the occasion.

NOTICE

Dr. James A. Saffold, Chiropract-Foot Specialist, 706 Center street, Des Plaines, Ill. wishes to announce a change in the office hours. Tuesday and Friday all day, 9 a. m. to 10 p. m. Evening hours on Monday and Thursday, 7:30 to 9:30 p. m.

Talent Quest Finals Saturday At River Forest

The final contest of the talent quest sponsored by the Lutheran schools of Northern Illinois, will be staged Saturday, May 29, 12:30 p. m. at the Lutheran Teacher's College of River Forest, Illinois. All the winners of the various zone contests will meet in this event to determine the most talented individuals and groups of the entire Northern Illinois District in English, art, music, hobbies and athletics. St. Peter's Lutheran school will be privileged to represent their zone in orchestra, children's choir, soprano solo (Wm. Schoepke), violin solo (Wm. Bessemer), and dramatic reading (Evelyn Engelking). This endeavor has met with enthusiastic approval by the Lutheran public and many people of this area are expected to attend.

Miss Irene Bruetsch Guest of Honor At Bridal Shower

On Friday, May 21 a surprise miscellaneous shower was given by the Misses Grace Rehling and Ruth Noack, in honor of Miss Irene Bruetsch. She received many lovely and useful gifts.

After a grand hunt for the gifts at the Noack home, the group of sixteen girls present, enjoyed bridge and pinocle at the Rehling home. The colored decorations for the occasion were in pastel blue and coral. Delicious refreshments were served as a finale to a most enjoyable evening.

On May 14, Mrs. Arthur Weinrich, Jr., also gave a surprise miscellaneous shower in Miss Irene's honor.

Miss Bruetsch will be a June bride, Mr. Harold Malzahn being the lucky man.

Job's Daughters To Install Officers June 1st

Bethel lodge No. 38 of the Order of Job's Daughters, will install officers Tuesday evening at the Des Plaines Masonic Temple.

Miss Dorothy Jasper of Arlington Heights, will be installed Honored Queen.

This occasion will be one of the social functions of the spring season and is being looked forward to by the members of the organization and their friends with keen anticipation.
